Smart, Engaging Classrooms

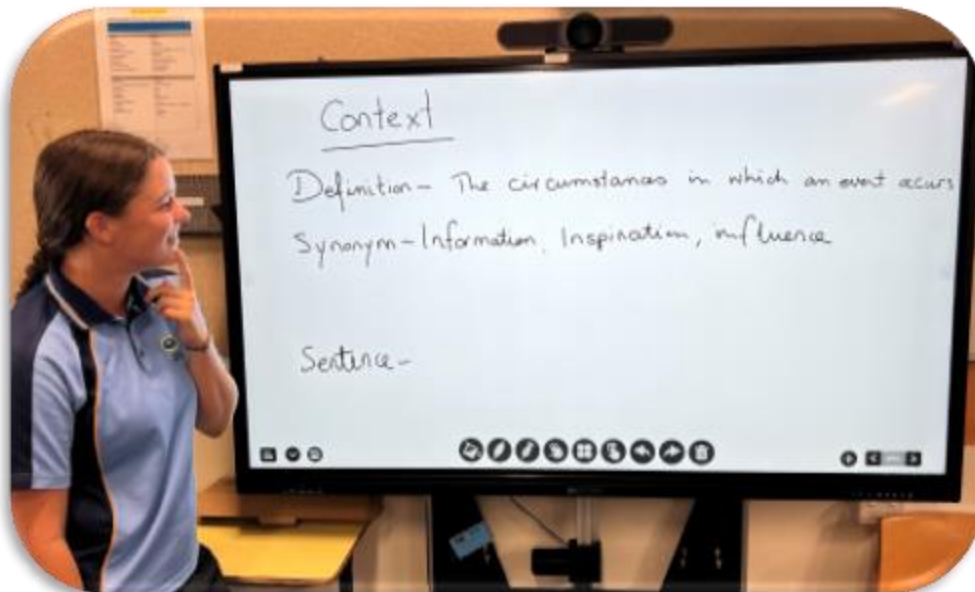

Tomaree High School

THS proudly continues to invest in sophisticated devices for whole school use. Boasting close to 400 laptops, including Apple MacBooks all maintained and updated by our in-house Technology Support Officer.

Intentionally designed, classrooms to support learning with an entire site Wi-Fi upgrade now completed and access to devices for every student.

Premium interactive Commbox touchscreens in every classroom, to increase collaborative learning, student engagement, creativity and lesson variation.

Timetabled home rooms for consistency and familiarisation.

Library Hub

Tomaree High School

Open every morning before school

Access to devices, free printing for assessments and tasks available to all students before and during school, including break times.

Dedicated teacher librarian and support staff.

Spaces

Quiet spaces to study and read.

Senior study area with a dedicated teacher.

Lots to do at break: boardgames, clubs & activities.

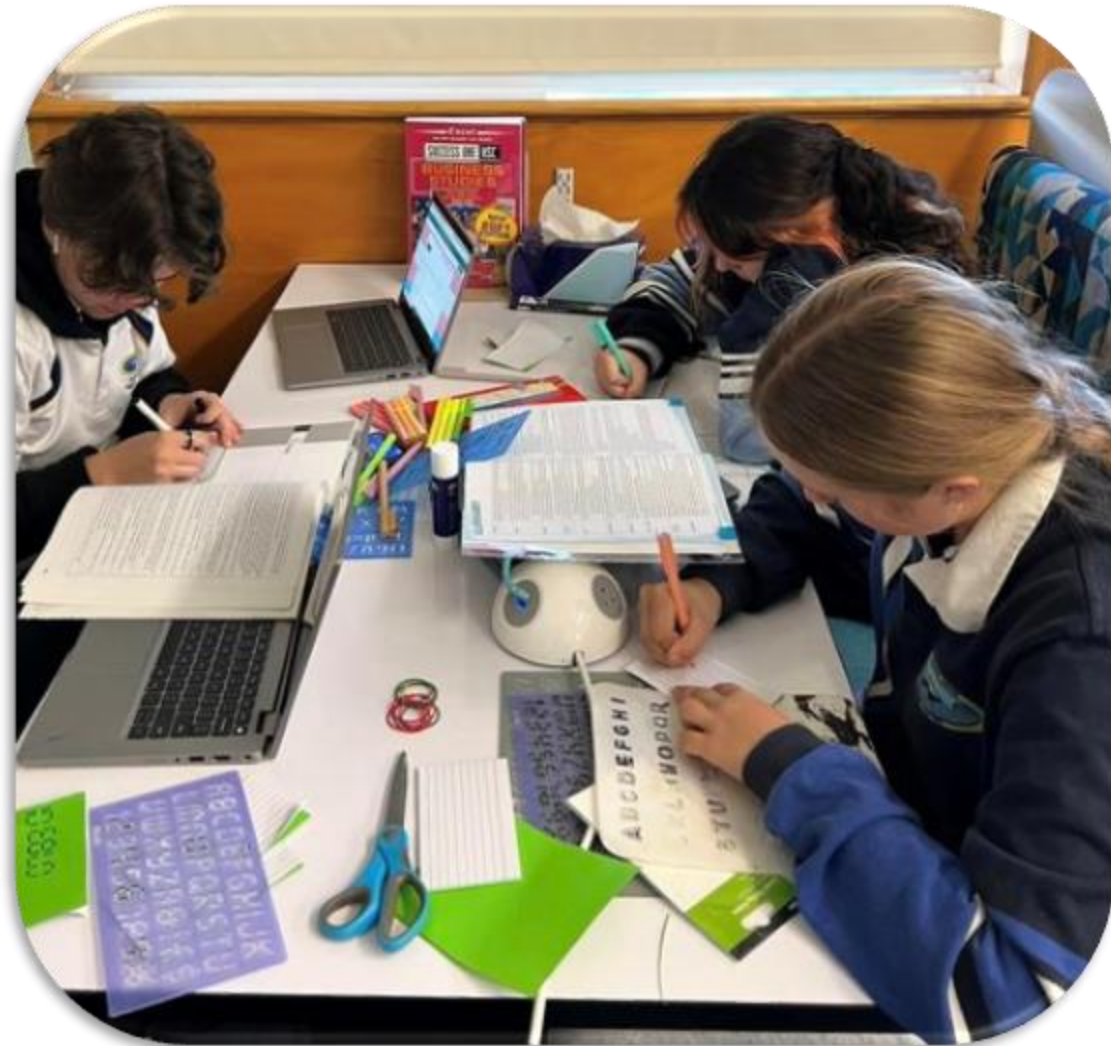

Always a friendly face 😊

Our teacher librarian, Mrs Hay listens and helps Year 7 with transition including organisation, location of classrooms, reprinting timetables, guiding use of printers and devices and general support and wellbeing.
